

**FORM #4: READING LEVEL FORM 2010 (Optional)**  
Please print and submit to your child's teacher, JK+up

Dear Parents,

It is helpful for us to know what level your child is reading at in order to form initial reading groups for each week of camp in advance. We ask that you submit the attached form to your child's teacher to assist us with obtaining an accurate level for your child.

We have found it easiest for everyone when teachers e-mail us directly and *we kindly ask you to refrain from asking us for your child's reading level.* It is the role of the school to provide you with this information. We also want to take the campers' focus away from levels so they can focus on the enjoyment and comprehension of stories, and not feel competitive about the level of books being read. *If you register for camp after the school year is over, please e-mail whatever information you can to us yourself (at [reading@wrkcamps.com](mailto:reading@wrkcamps.com)), as early as possible, as we form reading groups one week in advance.*

Thank you for your ongoing support of this program. It has been the enthusiasm of our parent community that has led to our camp's overwhelming success!

Dear M \_\_\_\_\_,  
(teacher's name)

Date: \_\_\_\_\_.

My child, \_\_\_\_\_, is registered in the Well-Rounded Kids camp and will be participating in guided reading groups. The director of the reading program has requested an approximate reading level to aid in the formation of these groups. Could you please forward this to Well-Rounded Kids by e-mail at **reading@wrkcamps.com** and that you clearly note my child's full name and the grade s/he is currently completing. If you are unable to provide an approximate reading level with one of the indicators below, please indicate my child's report card reading mark.
